Siobhan Isabella Reid Memorial Scholarship

Scholarships are presented annually to a full-time student attending an Alberta University or College. This \$1000 scholarship will be awarded to a student enrolled in a program which will lead to that individual being able to assist children and adults with learning disabilities. The student may be enrolled in any faculty of any university or college in Alberta that will lead to achievement of a degree.

The Awards Committee will consider the following in selecting a Recipient of the Reid Scholarship:

- Contribution to community life or campus
- Academic achievement/record
- Perception potential of applicant to contribute to support or research of people living with learning disabilities or ADHD
- Perceived need for proposed program of study
- Overall consideration of quality of applicant
