

## Siobhan Isabella Reid Memorial Scholarship

---

### Reid Award Criteria

Scholarship of \$1,000 awarded to a full-time post secondary student in Alberta enrolled in a program which will lead to that individual being able to assist children and/or adults with learning disabilities. The student may be enrolled in an undergraduate or post-graduate program of any faculty of any university within Alberta or in a college degree program.

Must have completed two full academic years at either a university or a college at which courses are acceptable by a university as applicable toward a university degree.

The award deadline is May 15 of every year.

### Applicant Must Submit:

1. An official transcript of his or her academic record for the student's last university or college year
2. Two letters of reference from non-relatives
3. An outline of his or her contributions to that applicant's community as well as campus life
4. An outline of the program the student wishes to undertake during the scholarship year.

### Review Criteria:

1. The student's contributions to his/her community and campus life
2. A satisfactory academic record
3. The student's future educational program leading toward assisting children and/or adults with learning disabilities.
